## Banquet on the Beach

The "banquet on the beach" begins at 5:45pm on Friday and continues until 7:45pm. The beach is one mile East of the Executive Summit and the walk is quite scenic. There is also ample parking. If you are walking, please go in groups and carry a flashlight as the return walk can be dark at times. You may wish to carpool which can be a great opportunity to talk more with a conference exhibitor.
